One of the main events of the seminar and the major revenue for TACCS
is the plant auction.

In fact, without the auction, TACSS would not be able to put on the seminar
without charging admission.

Please bring a plant for auction that you would be proud to buy.

It is a small price for free admission.

The plant auction is usually very competitive and should be fierce.

Remember to bring your Club's favorite plant,

one Cactus & one Succulent to enter in the

"Texas State Grand Champion competition"

We hope to see you in Fort Worth on October 3, 2009
