

Legacy Project Award

The Legacy Project Award was established by The SACXS Legacy Project Committee in 2023 to recognize an individual, business or organization who has made a significant contribution(s) in the conservation, preservation and educational area as related specifically to Cacti and Xerophytic plants and habitats.

ELIGIBILITY

Individuals, businesses & organizations who demonstrate a focus on conservation, preservation and providing education on Cacti and Xerophytic plants and habitats.

CREDENTIALS

Nominees should show they have focused in one of the following areas:

1. Made a specific achievement in advancing conservation of our natural habitat (conservation project, advanced research, project that had significant conservation impact)
2. Conservation achievement recognized by peer group, government agency or another society
3. Ongoing commitment to education with focus on conservation and habitat awareness

Achievements must be verifiable and documented.

AWARD SELECTION

The Legacy Project Award will be voted on by the members of the Legacy committee. Nominations can be given by members of the committee as well as any individual who completes the nomination application form. All information provided must be verifiable and presented to the Legacy project committee.
